

# Spotlight on ABSS Review

Issue No: 01

Date: 05.10.10

Welcome to the 1<sup>st</sup> issue of Spotlight on ABSS Review which is a Unison communication to our members who are involved in the Business and Admin Review

We intend to update our members regularly on how our negotiations are progressing

At the present time there is very little to share as we have not entered into formal consultation. We realise the prolonged period of uncertainty is frustrating but believe that management will have a structure to share by the end of the month. It is at this point that we hope to arrange a series of members meetings.

If you know a UNISON member in scope of the review who has not received a Spotlight, or have any comments or concerns please contact either of the Representatives below who are leading on the ABSS review on behalf of Unison.
