

# Spotlight on iCov Review

**Issue: 01**

**Date: 07.10.10**

**Members should by now have the iCov Release 2 implementation Document and access to the Release 2 Job descriptions.**

**It is vital that you read the document, which lists what management believe to be job matches/partial matches based on job descriptions and person specifications. It also outlines the consultation process.**

**Please study the job descriptions and contact the reps listed below if you wish to challenge the information or propose further matches.**

**This message is relevant for members in Release 2 and 3 and for in both Serco and Coventry City Council staff.**

**If you have any comments or concerns please contact a UNISON Rep.**
